Tribute

Dennis was born in Seymour to Giovanni and Rene Munari.
Brother to Barry and Adrian.
Husband to Susan
and
Father of Renee and Lauren.

In his early years Dennis attended Assumption College and while there he excelled as a sportsman and his talents on the field led him to captain the U18s with great success. It wasn't too long before the selectors came knocking and he was asked to join the Carlton football club where he played in the premierships team of 1968.

Becoming a father to two daughters was a proud time in his life. Many memories shared on family days together with his girls and all of the extended family.

Partnering with Sue and growing his family with Blake led to more joy. Enjoying many adventures traveling the world with Sue, enjoying and hosting countless events together and living in blissful happiness made his life complete.

Spending quality time and forming unique relationships with each of his grandchildren is a loved memory they will always cherish about their beloved Nonno.

Dennis enjoyed his later years spending time with dearest friends and family. Fondly known by many friends as Dennis "Shark" Munari. He enjoyed working side by side with his brother Adrian at his vineyard in Heathcote.

His interest in the guitar which became such a passion that he joined Adi's band the Vino Sapiens resulted in many, many hours playing in the lounge for all the neighbours to enjoy!

Enjoying many days on the beach with Sue, Coco and Pepsi forever working on his infamous tan!

A Poem from Renee & Lauren

Dad never looked for praises
and he was never one to boast
He just went on quietly doing
things he loved the most
His dreams were seldom spoken
and his wants were very few
And most of the time his
worries went unspoken too
Dad was our foundation through
many of our challenges in life
A supporting guide that we often
relied on in times of stress and strife
We are so grateful for all the
wonderful memories we have shared
We'll miss you dearly,
you were loved by everyone

The final siren will be held at Mitchelton winery.
